

## NEW WATER RATES

The Cypress Hill Municipal Utility District No. 1 Board of Directors has revised the District's water rates, effective January 1, 2010. The purpose of the rate change is to promote water conservation.

Here is how the new WATER rates affect various homeowners; SEWER rates remain the same for residents. Also, the pass-through charge to the North Harris County Regional Water Authority is IN ADDITION to these rates.

	OLD RATES	NEW RATES
Resident using:		
5,000 gallons of water/month	\$12	\$9
10,000 gallons of water/month	\$12	\$12
15,000 gallons of water/month	\$15	\$15
20,000 gallons of water/month	\$18	\$20
25,000 gallons of water/month	\$21	\$25
30,000 gallons of water/month	\$24	\$35

The full rate schedule follows.
